PRESIDENT'S MESSAGE

Fellow Quilters:

If you're like me summer sped by way too fast. I spent mine on a 24-foot boat in Canada where it was way too hot and too small to do any quilting. Instead, I taught myself Temari and will be selling some of those balls at our October fundraiser meeting.

September is our birthday meeting and my first meeting as your new President. It will be a hard act to follow last year's board with the completion of the community quilt, but I am open to any ideas you have going forward.

We are still in need for a program director to schedule speakers for next year 2025-2026. Be courageous and volunteer for this position. There are plenty of people with experience to help you succeed. I look forward to seeing everyone at our next meeting!

Sue

Seaside Quilters Guild

August 15 - October 27, 2024

The Seaside Quilters Guild is a guild of quilters who meet at the Soledad Club in Pacific Beach and has been active for almost 40 years. The guild is a nonprofit organization that supports many charitable causes: Project Linus and Christmas for Kids are our primary charities. For example, they have created and donated approximately 300 quilts to Project Linus each year. These quilts are distributed to children in need.

NEW MEMBER

GLEND A DARIAN

Glenda Darian , a quilter for about 19 years hails from Carmel Valley Ranch. She works during the day, and was delighted to learn from Barbara Lorentz, that our Guild meets in the evening.

Glenda is a long armer and does edge to edge quilting as a side business. she also volunteers making Project Linus charity quilts for the Village Quilters in Scripps Ranch and charity quilts for Rosie Gonzalez' personal charity.

Glenda enjoys downhill skiing in Mammoth and other destinations. She is also an avid reader.

She looks forward to participating in guild activities, learning new skills, helping with Project Linus and meeting new friends.

NEW MEMBER

PAULINE SAGER

Pauline returned to California after a 17 year 'visit' to Montana! She lives across the street from the PB library and learned about the guild through our impressive Community Quilt project.

Pauline has been quilting for at least 20 years and still feels like she has a lot to learn from the members and different activities of the guild.

In addition to big time grand mothering to 2 toddlers, Pauline plays mahjong regularly and is in a book club.

She is interested in becoming an active member as soon as she learns more about the various activities and committees. She looks forward meeting more members through to the Chit Chat activity. And is very impressed by the ever-popular member's Show and Tell portion of our meeting.

NEW MEMBER

DEBBIE STEVENSON

Debbie Stevenson lives in Tierra Santa. She has 2 daughters and almost 3 grandchildren!

Debbie describes herself as a somewhat unconventional self-taught quilter. She is attracted to modern, colorful quilts and rarely uses a pattern.

She learned of our guild from another relatively new member, Gaye Larson. Kudos to our members!

In addition to quilting, Debbie is a member of the Senior Improv Comedy group. She takes a variety of classes in the Emeritus Program at SD Community College and made several videos for them involving another favorite hobby - cooking.

Debbie especially loves the ‘Show and Tell’ portion of our meetings. She looks forward to more socializing and camaraderie with members, to learning about and participating in the various guild activities and to developing new skills.

Jo has arranged for Scott Flannigan of 4th & Main Designs to travel to San Diego for a one-day workshop while he is in California for Road. The workshop will be making one of Scotts new patterns reflecting his journey with Spastic Dystonia.

Changes in Seasons II. As for the inspiration for the pattern “Changes in Seasons II”. First of all, Flying Geese are one of my favorite quilt units to make, and then also Geese use their “voice” to signal the change of a season to us as they fly south for the winter and north for the summer, much like my voice is signaling another change in this season of my life. The top and bottom rows of this quilt are based on the Choppy Flying Geese that I use in my Logo.

If you haven't shared a Birthday Gift yet this year for door prizes, please bring a little something this month.

I am looking for someone to take over my job as Door prize Chair. It's a very easy job. Just write a little something for the newsletter and draw names at the end of the meeting. I have a box full of door prizes already to go for fill-ins.

(I will be traveling a lot this year and may not be able to attend all of the meetings.) Thanks for volunteering.

UPDATES FROM JO VROMAN

Shoebox Shuffle Small Group 2023-24

September brings the reveal of the quilts made from the many blocks made by the participants in the 2023-24 Shoebox Shuffle. I was amazed when I got my box back and hope that the setting I choose sets them off as they should be. We had some double shuffles, so a few members did not even have to make their final block to complete their 12 blocks. Several have asked if we will be doing this again so look for announcements in the future.

Sit and Sew

Jo has made arrangements to use the fellowship hall at Tierrasanta Lutheran Church for Quilt til you Wilt, from 10-3pm **on the Second Monday of the Month**. A fee of \$5/person will be collected as a donation to the church for the use of the facility. It is recommended that participants bring their lunch as no eateries are within walking distance of the church. Several options, however, are in easy driving range. Ironing boards, iron and worktables will be provided.

Opportunity Offering

The Guild is still looking for a member to take over the monthly Opportunity Offerings. Please contact Sue Stevens or Jo Vroman if you are interested in accepting this vital position in the Guild

CHIT CHAT IS BACK GIVE AND TAKE

APRIL 2024

Did you Chit Chat?

It has been such a pleasure for me to meet new friends through Chit Chat. I hope more of you will take the opportunity to put your name in the box on the sign-in table at our next meeting and get to know another Seaside quilter. Don't worry about not having anything to say-I promise you'll have lots to talk about!

Janice Faulstich

Isn't it amazing the treasures that can be found on the Give and Take Table?

Give and Take Table:-

Thank you to everyone that donated items and to everyone who purchased items (and thank you for taking your unpurchased items home.)

PROJECT LINUS SEPTEMBER 2024

As we get back to our regular Seaside Quilters meetings, I want to remind you that Project Linus is the focus of Guild's philanthropy. The Guild contributed 450 quilts in 2023!!! It doesn't have to be fancy or intricate. You can make just a top with kid related fun fabric or do simple quilting on a blankie that has been pin basted by the group.

We need help with the binding or sewing on labels. All contributions are greatly appreciated. The quilts we make are for infants and teens and every age in between.

Some of the agencies that receive our quilts are: Rady Children's Hospital, the Autism Tree Project, Vista Hill Agency for the Betterment of Children, Our Mother of Confidence Church for Children in Need, Salvation Army Kids Day Care Program, Armed Forces YMCA Achievement Academy Day Program, Community Housing Works, and the Angel's Foster Family Network. Just to tug on your heart strings, the Angel's Network takes in young children, from newborns to 5 years old. The Police and Sheriff Departments refer these children because of neglect or abuse.

Works will be held at my home on **the third Tuesday of every month** from 10:30am to approximately 2pm. Bring your own lunch. Please let me know if you'd like to be added to my email reminder list. I'll be in touch a few days prior to each workshop.

The next workshop is Tuesday, September 17. See you then.

UFO CLUB

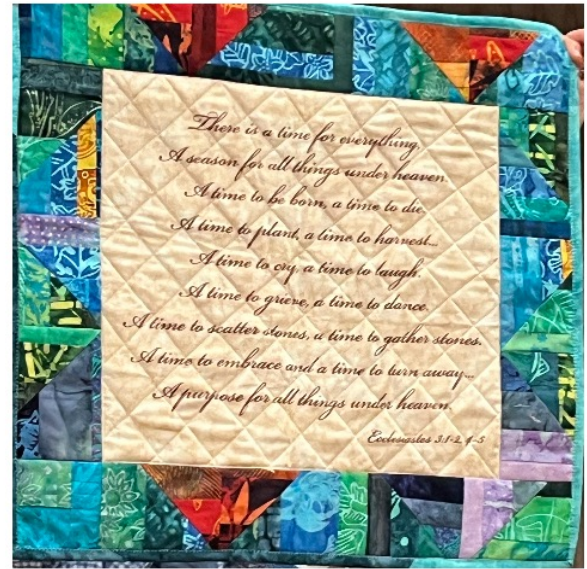

SEASIDE QUILT GUILD UFO CLUB

Time to dust off your sewing machines (or maybe you were working on UFO's all summer in that case I'm impressed!) and start working on finishing your UFO's. It's a new Seaside year so UFO Club will start up in September. To join for the whole Seaside year, the cost remains the same - \$10. All money collected will go toward prizes during the year. Please bring \$10 in cash or check made out to Seaside Quilters Guild to the September meeting or you can join later but only paid-up UFO Club members can enter the drawing to win prizes, and we WILL be having our first drawing at the September meeting. We will be handing out your UFO Club information sheet and as a bonus, a quilting idea handout. Besides finished quilts, Linus tops (3 tops count for one ticket in the drawing) and other finished projects, we are adding a new item to our list. Rebecca suggested the great idea of making finished kits eligible. I don't know about you, but I'm a sucker for buying kits, especially if they are on sale. Unfortunately, the buying part is easy, the actual opening the kit and making the kit is a bit more difficult. The kits tend to stay "kitted" and stored here and there, never to be seen again. Hopefully adding kits that are finished will spur you to finish some of those and enter them into the drawing. Looking forward to seeing you all at the meeting and don't forget your cash or checks and your finished UFO's!

Happy Quilting!

The warmer months bring a greater need for hygiene items such as soaps, tooth care, shavers, anti-smell items, powder, lip gloss, and shampoo. Socks are constantly needed - no matter the weather. Pantry and shelf stable foods - especially if individually portions - are also good donation items. Check out the discount racks in the grocery store (typically found in the back or near produce); or specials at 'odd' food places (dollar stores, ethnic stores) ramen and dehydrated bowl meals are great shelf items. Thank you in advance for all your generosity. --Stitchingly, Lois

1990 BALBOA PARK DIAMOND JUBILEE QUILT

This is the 1990 Balboa Park Diamond Jubilee Quilt designed by longtime Seaside Member Donna Rasmussen and constructed and hand quilted on a frame by Seaside members.

Marge Renner, Lone Skaar and Despo Stevens fondly remember working on this beautiful project. I was a brand-new member, and they didn't know me well enough to let me put a needle to it but if they could make something so wonderful I knew I wanted to learn from them.

The Quilt was shown at the last San Diego Quilt Show courtesy of the San Diego Historical Society.

Would more members like to commemorate great past quilt projects?
