February 3, Meeting at
Pacific Beach Presbyterian Church
1675 Garnet, Pacific Beach

PRESIDENT'S MESSAGE

We are off to a great start this year with strong meeting attendance and a full January workshop and retreat. Let's keep up the fun!

We now turn to work of the nominating committee, chaired by our V.P. Jo Vroman and assisted by Debbie Zeller and Julie Hasl. There are five elected officers: President, VP, Recording Secretary, Treasurer, and Immediate Past President. These roles are for two years. There are five appointed officers: Program Planner, Program Facilitator, Historian, Parliamentarian/Bylaws Chair, and Membership. These are one-year roles, but many people have volunteered for multiple years. The ten officers make up the board which means in addition to their specific responsibilities, they need to attend the monthly zoom board meetings. There are also many many other committee chairs and volunteer roles which will need to be filled or continue as before. You can find the list on the inside of your guild directory. If you have suggestions for anyone, including yourself, that you would think may be good in a particular role, please inform Jo. Don't be afraid to try a new role for yourself.

Thanks,
Sue

FEBRUARY 3 MEETING JACQUI PALHEGYI

LECTURE:

“Using Elements of Enchantment to Promote Sustainability.”

FRINGE FABRICS

3457 El Cajon Boulevard
San Diego, California 92104
(619) 230-5442

Hi there, I’m Jacqui, a fabric and vintage enthusiast living in sunny San Diego, California. I learned to sew as a kid and picked the habit back up in my mid-twenties in an effort to explore my personal style and stick it to fast fashion. I blogged all about it at [Birds of a Thread](#).

Since graduating from UC Berkeley many years ago, I’ve held titles like high school English teacher, communications manager, UX writer, and, most importantly, mom. Once I hit the big 4-0, I knew it was time to build a business of my own. I wanted to combine my love of textiles, design, and community-building to create an awesome place for San Diego sewists to shop, learn, and enjoy each other’s company. And so, Fringe Fabrics was born.

As a fourth-generation San Diegan, I’m stoked to be a part of the city's small business community (incidentally, the shop is just a few blocks from the bakery my great-grandfather owned in the 1930’s). I could chat all day about fabric, design, and San Diego history. So come by and see us sometime!

NEW MEMBER TERESA KEANE

7833 Wing Flight Court
San Diego CA. 92119

teresakeane703@hotmail.com

Welcome to a new member, Teresa Keane, a retired special ed teacher. She originally came from Indiana and now resides in San Carlos. Joyce McCarthy invited Teresa to our guild meeting. Their son's have a long-standing friendship. Hooray Joyce!

Teresa is no stranger to quilting and describes herself as more of a traditional quilter. But, she's moving in another direction now and looking forward towards the more modern approach. To that end, our speakers and workshops really intrigued and impressed her.

Her current quilting projects and goals are to finish a mountain of UFO's that accumulated over the years. I'm sure Judy and Rebecca will find you ASAP!

Teresa enjoys hiking and she's a member of the Stitching Sister's Guild.

Please take a moment to welcome Teresa at our next meeting.

Hi Everyone!

Sorry to have missed the last guild meeting. I bashed my pinky toe into a piece of furniture and fractured it. Moral of the story - wear protective footwear in the house. I just had a pair of socks on. On top of that I got a bad virus (think it was RSV since I tested negative for flu and covid). Not a great end to 2025 but hopefully things will be better in 2026! Since I'm out of commission to play golf for a few months, I have no excuses for not being able to finish UFO's!

Thanks to my Co-Chair Rebecca who did the drawing and took photos for Show & Tell! Congratulations to the winners: Chris Bernet won the Rosie's \$20 gift certificate and Linda Duggan and Cindy Feagle both won granola. Congratulations to everyone else for finishing UFO's. All your names will be put into the pot for the Mega UFO Drawing in June.

UFO CLUB

SEASIDE QUILT GUILD UFO CLUB

Since I'm stuck at home until my toe feels better, I've been trying to organize the disaster I call my sewing room. I got the December items put away. I devised a laundry basket system to organize my current projects.

One basket to hold current projects I want to finish this year (Note - I have MANY more projects than this, but it gets overwhelming when there are too many stacked up, so I just put those projects I want to finish this year into the basket). One basket for gift items (things I make or buy for gifts for the year. It's annoying when you buy or make a gift and squirrel it away but then can't find it when you need to gift it!). Two baskets for UFO's that just need to be quilted, bound and labeled.

All other projects/kits are stored away so they don't add to the visual clutter. Except one counter has my Dear Jane ongoing project and a couple of projects that need to be done in the near future.

I cleared off my cutting table, my ironing board and the area next to my sewing machine so now I'm ready to work on projects without a ton of clutter everywhere. It's a good feeling! I'll be at the February meeting and looking forward to seeing your completed UFO's!

Happy Upcoming Valentine's Day and Happy Sewing!

THANK YOU, LINDA

PROJECT LINUS FEBRUARY 2026

Next Linus workshop is **TUESDAY, February 17**. We will meet in my home on the **third Tuesday of every month** from 10:30am to approximately 2pm. Bring your own lunch. Please let me know if you'd like to be added to my email reminder list. I'll be in touch a few days prior to each workshop.

I want to let our new members know that Project Linus is the focus of Guild's philanthropy. Quilts do not have to be fancy or intricate. You can make just a top with kid related fun fabric or do simple quilting on a blankie that has been pin basted by the group. We also need help with the binding and sewing on labels. All contributions are greatly appreciated. The quilts we make are for infants and teens and every age in between. Some of the agencies that receive our quilts are: Rady Children's Hospital, the Autism Tree Project, Salvation Army Kids Day Care Program, Community Housing Works, and the Angel's Foster Family Network. Just to tug on your heart strings, the Angel's Network takes in young children, from newborns to 5 years old. The Police and Sheriff Departments refer these children because of neglect or abuse. Please contact me if you'd like to contribute.

DEAR JANE QUILT BLOCK OF THE MONTH 2 YEAR PROJECT

STARTED IN OCTOBER 2025

Hi all-

Now that I am working on my blocks (yes, I got a late start), I have a couple of notes to share.

1. I am not adding the sashing shown in the Hobby Stash Patterns. That sashing does not make sense to me. I will add sashing later.
2. Without the sashing on each of my blocks, my unfinished blocks are finishing at 5 inches square.
3. In the Dear Jane book and the actual Dear Jane quilt, the border triangles have the background fabric on the outside edges, but at least one (if not more) of the Holly Stash triangle patterns show the print on the outside edge of the triangle with the background used in the middle pieces. Make sure you are putting your background and print fabrics in the locations that you want. I would hate for you to have to remake a triangle (Like I am doing).

Take care, Roni

GIVE AND TAKE & HISTORIAN

Isn't it amazing the treasures that can be found on the Give and Take Table?

Give and Take Table:-

Now that our spectacular Fun Raiser is over, it is time to fill our Give and Take table with lots of goodies. This is a wonderful way to clean out some of your fabric stash, books, and notions that you know you will no longer need. It is also another way for us to raise money for the guild. Please remember to check the table before you go home for any items of yours that were not taken. Please do not leave them for me to dispose of.

Thank you,
Phyllis

Historian

Look up the meeting pix on the private FB page! We have had so many great showings and wonderful displays. Also, look at the "FILES" tab to see lots more - plus files of patterns, BOMs, and other information. This is a private page and will require permission. Just send a "messenger" to Lois Heath to be listed with permission. (I will verify within the directory.) Sure, there are "newer" media platforms, we have a lot we want to maintain and have available for longer periods of time!
